County Fair Set for July 18-21

The Crawford County Fair Board has set July 18, 19, 20, and 21 as the date for the 1990 Crawford County Fair.

The earlier fair date was selected because Arnold Amusements, which provided the carnival and rides last year, is unavailable during the month of August. Because there are so few carnival companies available in August, the fair board opted for the earlier date.

This earlier date will limit the agricultural displays. For this reason, the fair board is considering plans for a "Harvest Day" to be held in late August or early September. Harvest Day would give those people whose entries are not ready in time for the early date an opportunity to display their entries and participate in the enjoyment of a county fair.

This year's fair will give everyone an opportunity to see all the new changes in the looks of the fairgrounds. In the planning stages are a new baseball diamond, two soccer fields, a permanent covered pavilion, an improved viewing area for the motocross track, and improved parking facilities.

The fair board presented a plaque to Barry McClanahan at its January meeting in recognition of his support of the Crawford County Fair. McClanahan owns Bear's Country Inn, which provides the board with its monthly meeting place. The board has been meeting monthly since late last year planning this year's fair.

Blood Donors Help 4 Ways

The Crawford County American Red Cross will have a Blood Bank on Wed., March 7, at the American Legion Hall, from noon to 6 p.m.

Dial a Ride, 348-5409, will pick you up and take you back home, without charge, if you come to donate a pint.

Did you know that every pint of blood you donate can help as many as 4 other people? The Plasma can help a burn or a shock victim. The red cells can restore an accident victim or a surgical patient. Still other parts can help someone with a rare disease. That's a lot of power in one pint.

Animal Shelter Fundraising Begins

The animals in the shelters of Crawford and Roscommon counties need lots of support. Area residents can help with their financial needs by attending a spaghetti dinner on Saturday, March 10, from 5 to 7 p.m. at the American Legion Hall.

Homemade spaghetti, salads, bread, home-baked desserts and beverages will be provided by members of the newly formed Friends for Animals organization. Cost for the dinner is \$4 adults, and \$2 children.

Proceeds from the dinner will be used to assist the animal shelters of both Crawford and Roscommon counties.

Drug Treatment Admissions Rise

The number of Crawford County residents admitted to drug treatment facilities through the Northern Michigan Substance Abuse Services (NMSAS) rose to 130 in 1989. This increased from 63 Crawford County residents admitted during 1988 and the problem is getting worse.

Dennis M. Priess, NMSAS Executive Director, during a summary of NMSAS's Annual Report to the Crawford County Board of Commissioners last Thursday, stated that the county was going to see even greater numbers of admissions in the future. Priess stated there have already been 55 Crawford County residents admitted for drug treatment or a casefinding service during the first quarter of fiscal year 1990 and at the present rate he estimated there could be more than 200 admissions for 1990.

Priess also said that 25 percent of the persons from Crawford County admitted for drug treatment fall into the 17 and under age group, which is slightly higher than the regional average. Ninety percent of the persons admitted from Crawford County were men, but Priess said a dramatic shift in these percentages is occurring. In the first three months of fiscal year 1990, male admissions have dropped to 65 percent and female admissions increased to 35 percent.

Alcohol remains the primary drug of abuse for which inpatient treatment is sought. In Crawford County 84 percent of all admissions are for alcohol dependency.

While overall admissions dropped slightly from 1988, the annual report states that admissions for hallucinogens increased to nearly 12 percent of all treatment admissions. Priess said marijuana addiction accounted for most of this increase.

According to the report, in 1989, nearly 62 percent of all clients admitted into treatment and casefinding services were first time admissions and only 12 1/2 percent of those persons admitted had histories of previous multiple admissions.

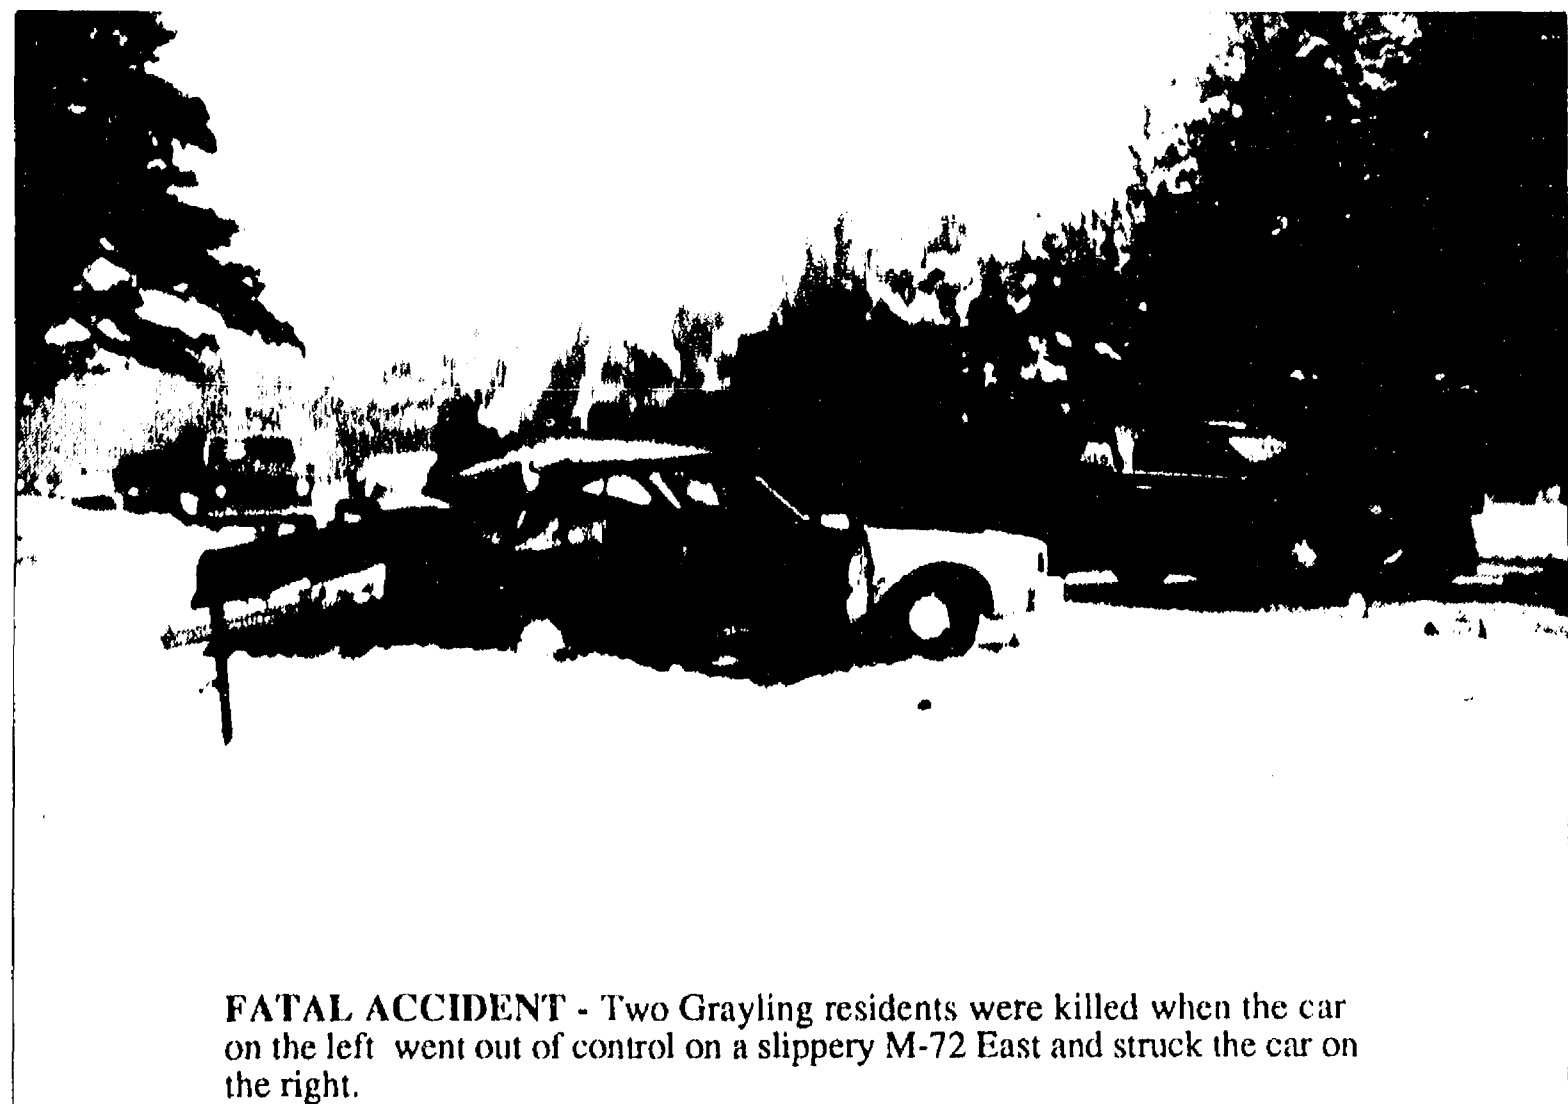

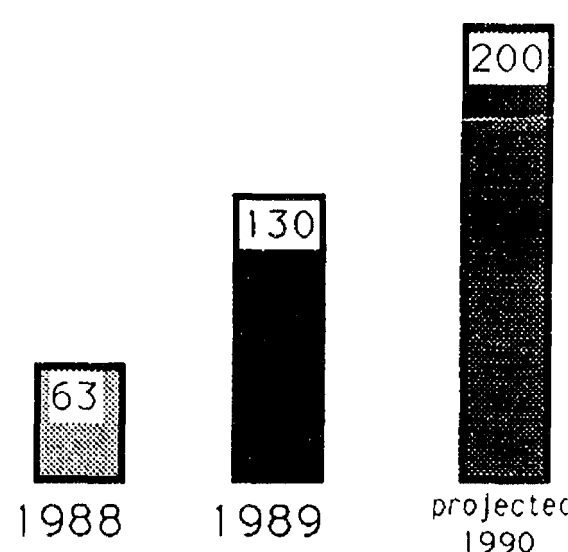

"So we are really not seeing a revolving door situation," said Priess. "Most of our admissions are first time admissions."

NMSAS receives most of its referrals from the criminal justice system, but Priess said self-referral is their second highest referral source. He said the increase in self-referrals reflect greater public awareness both by the abuser, that help is out there, and by the abuser's family, friends and employers.

NMSAS receives its funding from the Office of Substance Abuse Services (a federal program) and the Convention Facility Development Fund (Liquor Tax). A new project which

FATAL ACCIDENT - Two Grayling residents were killed when the car on the left went out of control on a slippery M-72 East and struck the car on the right.

2-Car Accident Kills Local Man and Youth

A traffic accident claimed the lives of two Crawford County residents last Thursday, February 22, and injured two other Grayling residents.

Julius Aponoves, 76, driver of one of the vehicles, was dead at the scene and Paul David Dunham, 18, a passenger in the second car driven by his brother, died while in route to Mercy Hospital. Jay Thomas Dunham, 17, and Kenneth Fraley, 18, the another passenger in the Dunham car, were taken by ambulance to Grayling Mercy Hospital.

As of Monday morning, Jay Dunham was a patient in Grayling Mercy Hospital's Critical Care Unit, listed in stable condition. Fraley was released from the hospital on Friday, February 23.

The accident occurred when Jay Dunham, driving east on M-72 East at about 12:12 p.m., lost control of his car on the

slippery pavement. The vehicle crossed broadside into the westbound lane hitting the front of the Aponoves vehicle. The Aponoves vehicle struck the Dunham car on the left side behind the driver. Paul Dunham was sitting in the back seat on the driver's side when the collision occurred. Aponoves was alone in his vehicle.

According to police records neither the drivers or the passengers were wearing seatbelts at the time of the accident. Officers at the scene reported that the highway was covered with between 1/4 and 1/2 inch of slush and, although visibility was considered fair, a wet heavy snow was falling.

The accident is still under investigation. A spokesman for the Crawford County Sheriff Dept. said alcohol was not a contributing factor to the accident.

Full obituaries of Paul Dunham and Julius Aponoves appear inside.

923 Tons Recycled Last Year At Crawford-Otsego Center

One million, eight hundred forty seven thousand, four hundred and forty pounds of paper, cardboard, and metal was not buried at the Crawford-Otsego Landfill last year.

Instead, the 923.72 tons of what some people used to call junk was recycled and put back into the materials marketplace by the Crawford-Otsego Recycling Center.

The Recycling Center, which is also located at the Crawford-Otsego Landfill in the northern part of Maple Forest Township, made significant gains in recycling in 1989.

The Recycling Center officially opened on Sept. 7, 1988, with ribbon-cutting ceremonies to help introduce to local residents the importance of recycling, said John Miller, the Executive Director of the Crawford-Otsego Landfill & Recycling Center.

The Recycling Center started operations with a single upright baler used to bundle corrugated cardboard and newsprint. The cardboard and newsprint had to be hand-sorted and carried to the baler. The baler could produce about 3-4 bales of newsprint or cardboard a day.

At the end of 1988, the Recycling Center had recycled 84.6 tons of corrugated cardboard and newsprint in addition to 223.8 tons of metals. The total of recycled items was 308.4 tons for 1988.

In 1989, the volume of items to recycle increased at the center due to educating the public and distributing recycling containers around the two counties, said Miller. The Recycling Center building was enlarged to provide more room for sorting

Millages for New Elementary Placed On June Ballot

Residents in the Crawford-AuSable School District will be asked to approve a bond issue on June 11th for the construction of a new elementary school.

The school election ballot will contain two requests. The first request will ask voters to approve a one mill increase to pay for the \$5.5 million construction project. The second proposal will ask voters to approve a one and one-half to two mill increase to finance the operational expenses of the new elementary school. Collection of the second proposal will not begin until the new school is opened in 1991-92.

School Superintendent Kent Reynolds stated that both requests must be approved before construction of the new school will begin. He said the Board wants to open and operate the building once it is constructed.

The construction project includes the following five components:

(1) Construction of a new elementary school for grades K-2 at the Grayling Elementary/football field site attached to the Grayling Elementary School by a central kitchen and separate cafeterias. Construction of appropriate playground and parking spaces and a bus traffic lane for both buildings.

(2) Modification of the Grayling Elementary School for grades 3-5 with expansion of office space, improvement of ventilation, energy efficiency improvements and construction of appropriate playground and parking spaces.

(3) Improvements to the Frederic Elementary School including walls to enclose open classrooms, a new roof for the old section of the building, energy efficiency improvements and playground and parking improvements.

(4) The relocation of the football field and track to the high school site.

(5) Repair of the high school parking lot.

The site next to the Grayling Elementary School was selected because it offered cost efficiency in busing patterns, food service operations and the opportunity for the sharing of personnel to both elementary levels.

Locating both elementary schools on one site will allow for complete separation of bus and car traffic. This will eliminate the serious congestion problem that occurs Monday through Friday as parents, Dial-a-Ride buses and school busses vie for space in front of the Grayling Elementary School to deposit school children. It will also allow construction of bus pickup and drop off areas completely removed from hospital traffic areas.

Reynolds said both of these changes will greatly improve student and traffic safety.

According to the Infrastructure Committee, the cost of relocating the football field and track will nearly be offset by savings in sewage disposal, water supply, food service opera-

Business District's Annual Dinner Features Entertainment by Motif

Employees will be the focus of the Annual Dinner of the Uptown District Business Association (formerly Community Self Improvement Project) on Thursday, March 8, at the Chief Shoppenagons Hotel.

Ideas for an effective motivational training program for employees will be introduced during the evening. The special speaker for the night will be Andrew Hayes, Chamber of Commerce Director of Petoskey and Harbor Springs.

After the formal program, The Motif, a vocal and choral music group, will provide entertainment. The group was organized 20 years ago by Tiliis Butler and performs a variety of music. They entertained at the 1989 Grayling Winter Carnival and they have appeared at the Montreux-Detroit Jazz Festival, Black History Concert in Dayton, Ohio, Soul Day in Detroit, and Afro-American Festivals in Detroit and Toledo.

The Motif were first place winners in 1988 in the vocal division of the Heritage Town Jazz Competition and they have

performed for the National Association of Negro Musicians in Chicago, New York, Atlanta, and New Orleans.

The group's performance here is supported by the Michigan Council for the Arts program titled Initiatives for the Arts.

After 8 p.m. the entertainment by Motif will be open to the public at Chief Shoppenagons.

The annual dinner will begin with cocktails at 6:30 p.m. and dinner at 7 p.m. Tickets are \$10 each. For reservations call Judy Dickinson, 348-5829, or Mo McNamara 348-5051.

Tree Seedlings Available Here

With Spring just around the corner, the Crawford/Roscommon Soil & Water Conservation District is gearing

up for its annual spring tree seedling program. The program offers a variety of tree seedlings to the public to be planted for many different objectives.

Some of the more popular reasons for planting trees over the years have been to establish windbreaks around fields, homes and driveways, privacy screens to block views and noise problems, wildlife habitat improvements, a family project for potential future income, or simply to add beauty to your landscape.

You may also qualify for a cost-share program where up to 75% of your cost to purchase, plant and maintain tree

seedlings would be reimbursed.

For more information about the tree seedling program or to obtain a copy of the seedling order form, call the district office at 275-5231 or stop in at 409 Lake Street, Roscommon.

Let's Talk About It

By Joe Murphy

Now that peace between the big powers is becoming a real possibility, talk about reduction of our armed forces has already begun. A reduction in the regular forces will make the role of the reserve forces including the National Guard much more important to our country's defense posture. We dare not reduce our armed services to the point of weakness.

Our country's weakness at the start of World War II must never be repeated. The reduction of the armed services during those hard depression years, while necessary because of the economic conditions, served to raise the hopes of our enemies for a quick victory. We were very lucky to get the time to train and equip our armed forces that time. We can never depend on that time lapse again.

The National Guard and the reserve forces give us the most economical way of maintaining a strong defense posture. For instance five divisions of National Guard can be maintained for the cost of one Regular Army division. Any concept of today's National Guard as a lot of fun and games is very wrong. Every recruit receives the same basic training as the regular army. They must also attend training schools in their M.O. S. (Military Occupational Specialty) before they can drill with their unit in a paid status. They must also attain the same height and weight standards as regular troops. You do not see fat, out-of-condition National Guard troops any more. If they are over weight they must show a steady weight loss or be discharged.

The complexity of modern weapons of war require a high degree of intelligence and education to operate and maintain. Today's Guard person, if they hope to be retained and promoted, must attend advanced service schools and college courses to qualify for them. You do not see those grey-haired Captains in the modern National Guard. If an officer is passed over for promotion twice he is discharged. They must work hard to be qualified to be promoted if they hope for a career in the Guard today.

The National Guard offers the best alternative to maintaining a large Regular Army force to insure the freedom of our country. To me it is only good sense to get the most we can out of our tax dollars. A well led and trained National Guard will provide us with a great deal of security at the lowest cost. If you are a person who likes to see your tax dollars used wisely the National Guard is a real bargain.

Reader Says Don't Allow Drilling in Warbler's Area

Dear Mr. Thompson:

After reading the Avalanche of Feb. 15, drilling for oil and gas in Lovells and Crawford County and four thousand acres of land going up for bid March 19 for the right to drill for oil and gas I wonder if this is the reason that some people do not want the landing strip in Kalkaska County. Also would this have anything to do with some people trying to

do away with the National Guard?

The four thousand acres, part of it the Guard trains on it. The other part is where the Kirtland's warblers come in the spring and stay the summer. But if they get the land and drill for oil and gas and put up wells in or near the warblers nesting area, they not only have damaged the environment but would have damaged the Kirtland's war-

blers nesting place and then what would happen to them? Would they come back like they have been year after year? So if you are for the Kirtland's warbler and want to help them, please write or call your state representatives in Lansing and let them know that you do not want any drilling done in the Kirtland's nesting area.

Notes from the Woods

By Nancy Lemmen

Her name is Bert, said the animal control officers. You know, as in Bert and Ernie. She was a stray. She just wandered into his yard one day several years ago. And he took her in.

He lives by himself so she has been his only companion. His constant companion. But now the Crawford County Animal Shelter is her new home and he is really lonely again.

Not that she wasn't a good dog. She was never the problem, but enough money to keep her was. He depends on welfare and 38 dollars every two weeks doesn't go very far to support yourself, much less the stray that wandered into your yard several years ago.

When his assistance was cut the first time, he couldn't afford to get her registered with the county. So he asked the animal control officers to take her to the animal shelter. But kind neighbors offered the man and his Bertie a brief reprieve by purchasing the dog tags for them last year.

When his assistance was cut the second time, he couldn't afford to buy her food. Again the neighbors offered to help. Several strangers even offered assistance. But he refused. His pride wouldn't allow him to accept the charity of neighbors and strangers, they told me.

Take her to the shelter, he said. I can't afford to keep her anymore. So they took her. It made them sad, but they did it — reluctantly. They both understood that doing the sad things often goes with the job. Yet they persist.

But it's a real shame that these things happen, they said, because pets are sometimes the only companions that elderly and low income people have.

"She has the nicest, sweetest nature you could hope for," said Crawford County Deputy Marge Mathew. "You don't even know she's around most of the time. She rides with me on my rounds. She just wants to be there with you. And she is excellent with children."

"Yes," said her partner Dixie Lobsinger, "all the kids in his neighborhood played with her. And she always stayed in his yard. She never wandered anywhere."

Now this is her reward for being a good companion, a good pet, a good dog. She must wait at the animal shelter for somebody else who is lonely for a good companion, a good pet, a good dog. Or else she waits for euthanasia day at the shelter. Whichever comes first.

And so they are looking for someone who would like a female cocker spaniel mix, evidently spayed, about 30 pounds, around six or seven years old.

"I love her. If I could take her home, I would," said Marge.

"I'd bring her home in a second," echoed Dixie.

"I was about ready to ask Jon if she could be the Avalanche dog if I would take her home at night," added Irene Pettyjohn, the reporter who took Bertie's picture for the newspaper.

Irene was at the shelter getting pictures of puppies and kittens, but this dog kept poking her white face into the

camera lens and putting her black paws on Irene's knees.

Explained Dixie, "Her white face make her appear old. But she's had it since she appeared in the man's yard. It's just part of her markings. She's not an old dog."

"She has another good ten years in her, the good Lord willing," added Marge. "It's time to find her a new home."

But all three women will tell you that finding a home for adult dogs is not so easy. "They have a terrible time placing older pets, because everyone wants puppies and kittens," said Irene.

The truth is that quite a few people who are elderly or in poor health or on limited incomes bring their pets to the animal shelter. And the further truth is that usually the animals are put to sleep because nobody wants an old dog or cat, even though they make wonderful pets.

Irene added sadly, "But they haven't done anything to deserve to be displaced. And it breaks my heart to think that there are elderly people out there who have to give up their pets."

Surely there is somebody in our area who wants a six or seven-year-old black cocker mix with a white face and a sweet disposition — a dog that "just wants to be with you," as Marge had said. It seems a modest request for an animal that certainly has known hardships and pains in her life.

Surely there is someone out there who would like to take little Bert home.

There is. The day before Notes went to the Avalanche, Irene called me. "Bertie has a five-year-old boy," she said happily.

I called Marge for confirmation. Yes, Bert had just been adopted that day. "She went out of here as happy as a lark. I think she's going to work out in her new home."

I never knew her, but I wish her and her little boy many years of happiness together.

If only every dog and human story ended so well. Then we could all be as happy as larks.

Almanac

By Richard Millman

Engler race: Sound familiar?

NOW THAT STATE SEN. John Engler has stepped out from behind the cloak of non-candidacy and formally announced he is running for governor, the campaign pace in Michigan certainly will accelerate a bit.

The legislature is in session, and in his dual role of candidate and majority leader of the state senate, Mr. Engler's every action and proclamation will be subjected to the fine screening of political analysis.

A similar dual role is held by Mr. Engler's probable opponent in November, incumbent Democratic Gov. James Blanchard. He, too, will combine the duties of office with the necessities of campaigning, although Mr. Blanchard has not formally announced he will run again. That announcement is only a matter of time.

THE TENOR OF THE CAMPAIGN seems to be taking form right off the bat. In a pre-announcement letter to backers, Mr. Engler went up and down Mr. Blanchard's eight-year record in office, pointing with alarm:

"Unemployment is up: Michigan's jobless rate is the highest of any industrial state. Dropout rates are up. Welfare spending is up. Crime is up. Property taxes are up. Pollution is up."

"New Manufacturing jobs are down. Education scores are down. Business confidence in Michigan's economy is down."

Mr. Engler also faulted Mr. Blanchard's tenure as head of the state bureaucracy: "There are 8,000 more employees on the state payroll since Blanchard took office, and thousands more on contracts," Mr. Engler claims, for example.

Mr. Blanchard, meanwhile, expresses pride in his role as Michigan's governor. He sees things quite differently, as could be expected, and as pointed out by his State of the State message, for one example, and on almost any other occasion when Mr. Blanchard finds himself in the midst of three or more voters.

ALL OF THIS MAY have a rather familiar ring. It sounds something like George Bush running against Michael Dukakis a couple of years ago. Mr. Dukakis, as a sitting governor, as is Mr. Blanchard, spelled out all the glorious things he did for his

state. Mr. Bush, as a long-time capital politician, somewhat reminiscent of Mr. Engler's own 20 years on the scene in Lansing, decried his opponent's record in the statehouse and pointed to his own experience and expertise in governmental affairs, as does Mr. Engler.

In fact, one of Mr. Engler's qualifications, spelled out in his letter to backers, is his connection to Mr. Bush: "President Bush is a good friend of many years."

Then, too, Mr. Engler is leaning heavily on television to get his message across. Along with his formal announcement strategy, he unveiled television commercials which picture Mr. Engler as all things to all people — workers, elderly, children... ah, especially children. Mr. Bush, of course, relied heavily on television advertising, too.

Could there be an Engler TV spot in the future related to prisons? Probably not with a Willie Horton, but perhaps something about one line in the Engler letter to supporters, claiming that — among other deficiencies of the Blanchard administration in Lansing — "the governor's prison warden lost the jail keys ..."

ONE OF MR. ENGLER'S legislative proposals is a bid to require debates among all gubernatorial candidates who accept public funding of their campaigns, which will include both Mr. Engler and Mr. Blanchard.

The Engler bill could require lots of debates; usually there are three or four, and that's all. That's probably enough, too. It's doubtful the Engler bill will make it through the legislature, or survive the governor's approval... which is probably just as well.

Mr. Engler may not have a clear shot at the Republican nomination. A General Motors engineer from Grosse Pointe named John Lauve, who has been active in tax-cut politics, has announced he, too, will run. He probably won't get far, and may even drop by the wayside for a different localized race. All in all, it looks like a great year ahead for Michigan political junkies.

Admissions Rise

allows limited billing of Medicaid and Title XX has generated nearly five percent of NMSAS's total revenues. Priess said NMSAS received some increased revenues in 1989, primarily from its federal source.

"These increases have allowed us to do some service expansion," Priess said. Outpatient, prevention and residential services were NMSAS's big three budget expenditures.

Priess said a significant change in outpatient and prevention services for Crawford County occurred on October 1, 1989 when the NMSAS board of directors selected New Life

Community Services to serve as its primary contract agency. In the past, Community, Family and Children Services from Gaylord served Crawford County.

The two residential centers that serve Crawford County are the Friendship Center at Otsego Memorial Hospital in Gaylord and Harbor Hall in Petoskey.

and storage.

The Recycling Center distributed containers at the Gaylord High School, Gaylord South Maple School, Gaylord Opportunity Center, Corwith Township, and Vanderbilt in Otsego County. In Crawford County, containers have been placed at Lovells, South Branch, Beaver Creek, and in the back parking lot of the Chief Shoppenagons Hotel in Grayling.

A vehicle from the Recycling Center picks up full containers and takes the materials back to the center for sorting and baling.

In 1989, the center recycled 605.78 tons of corrugated cardboard and newsprint as well as 317.94 tons of scrap metals from appliances and other items at the landfill.

Miller said he is expecting a large volume of items to recycle in 1990. A horizontal baler has been purchased with a conveyor system attachment. The new horizontal baler is expected to produce 4 bales of recyclable items an hour. The horizontal baler will be used on cardboard and plastics, leaving the upright baler for computer paper and newsprint. A conveyor has been assembled for the upright baler to speed its operation.

"The Crawford-Otsego Recycling Center has played a very important part in educating the public in recycling," said Miller. "We offer tours to the public and are available to answer any questions that the public may have on what the center will or will not accept for recycling."

Miller said the Recycling Center takes newsprint, computer paper, all types of plastics, and scrap metal. More containers are available for placement in the county. Ideally, the containers should be placed in an area where some kind of control can be maintained over the materials being dumped in the big bins. One person dumping trash into a container for paper can ruin the paper and it can't be recycled.

For more information, call the Recycling Center at 732-3553.

Jackson Named Employee of Year

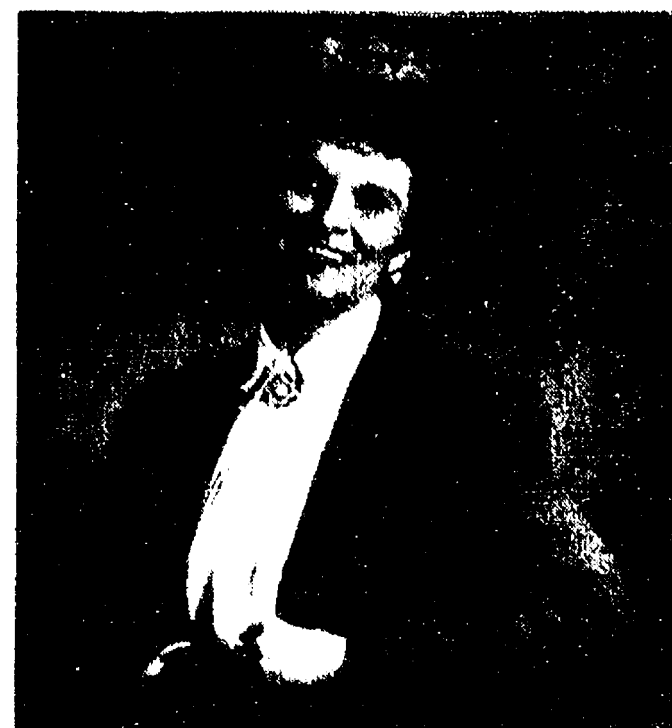

Richard T. Albee, Chairman and CEO of the Grayling State Bank, has announced the selection of Dianne K. Jackson as the 1989 Grayling State Bank Employee of the Year. The award was introduced at the Annual Employee Dinner on January 27, 1990.

Mrs. Jackson began her career at Grayling State Bank on March 9, 1981, as a Proof Operator in the Customer Accounting Department. In October, 1985, she was promoted to her current position of Installment Loan Processor.

Mrs. Jackson is recognized for her outstanding customer relations. She continuously strives to be as helpful as possible and assure that customers in her area are helped in a timely and efficient manner. She is very adept in the performance of her job functions and has consistently developed time and money saving procedures in the Loan Department.

In nominating Mrs. Jackson, John H. Alef II,

Senior Vice President says, "Dianne is an extremely reliable and loyal employee of the Grayling State Bank. She is always a punctual and willing worker. Dianne is very adaptive to procedural and policy changes and always strives to do her personal best at whatever task she is asked to perform."

tions and transportation costs by locating the new school at the current football field site. Construction of a new school outside the city of Grayling would require a large expenditure in those areas, as well as the purchase of property for the new school.

Operational millage is needed to pay for the utilities, custodial services, maintenance, secretarial services and office expenses, supervisory personnel for lunchroom, playground and bus loading areas, library aide, building principal and the supplies and materials associated with operating an additional building.

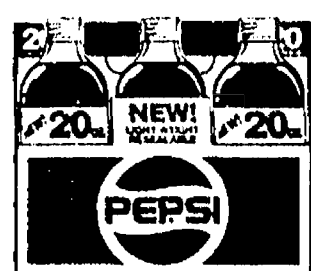

The Board of Education took action at its February 19 meeting to approved the recommendations submitted by the Infrastructure Committee to construct a new elementary school and to ask the community to approve the millage necessary to both construct and operate the facility on June 11th.

The Board of Education also approved the Infrastructure Committee's time schedule which calls for a campaign planning meeting February 27, a public meeting March 22, a special board meeting March 26 to approve the project scope, schematics and budget and the final ballot language will be adopted by the board at its April 16th meeting.

The March 22nd public meeting will be widely advertised in an effort to involve community participation.

GBKB Associates of Traverse City were hired for architectural and engineering services for the proposed new elementary school construction project. Reynolds explained this firm was selected because of their keen understanding of the developmental education philosophy and for their ability to convert that philosophy into a building. He said the firm has a history of providing facilities based upon the needs and budgets of their clients.

Janet L. Halliday, 57, of Grayling Township, passed away February 13, 1990, at Fairview Hospital, Cleveland, Ohio. Memorial Services were held at the Chapel of Westwood Abbey, North Olmstead, Ohio on February

Robert LaChappelle

Robert Norman LaChappelle Sr., 65, of Lady Lake, Florida, died Wednesday, February 21, 1990. He was born in Grayling and moved to Lady Lake in 1985. He was a railroad conductor for Conrail in Lansing, and a U.S. Marine Corp veteran of WWII and the Korean War. He was a member of the Grayling Booster Club and American Legion Post #106.

Bob and Edwina and family moved from Grayling to St. Johns, MI, where he continued working for the railroad. On his retirement they moved to Florida to make their winter home, returning to Grayling for the summer months.

Bob was a 1943 graduate of Grayling High School, where he excelled as an athlete during his school years when Grayling was on top of all three sports at that time, football, baseball and basketball.

On his retirement from the railroad and moving to Florida, Bob became an avid golfer. He was able to play practically the year around - winters in Florida and summers in Grayling.

Survivors include his wife Edwina, two sons: Robert Norman, Jr. of New Orleans, and John Edward of Elwell,

16, 1990, with the Reverend Graig Roshaven, family and friends officiating.

Mrs. Halliday was born November 16, 1932, to Earl P. and Mildred (Edmed) Osborn, in Baltimore, Maryland. After graduating from Radcliffe-Harvard University in 1954 she worked for IBM as an Advisory Systems Engineer. In 1978 she founded Halliday Data Inc. and was its president and CEO until her death.

Survivors include her husband, William J. Halliday, of Grayling Township, son, David P. Zimmerman, of

Spencer, New York, a daughter, Jane Z. Hartman, of Rockville, Maryland, her mother, Mildred Osborn, of Rochester, New York, her sister, Joan O. Brown, of Pittsford, New York and three step-daughters: M. Kipp Pruitt, of Plano, New York, Katherine O'Neil and Martha Loder, of Houston, Texas and 7 grandchildren.

Memorials to Michigan Audubon Society, Kirtland Warbler Fund, 6011 West St. Joseph, P.O. Box 80527, Lansing, MI 48908-0527 are suggested by the family.

WGRY To Add FM Station

Construction of WGRY's FM tower is underway on Crawford County's Skyline Mountain. The FM is projected to be operating by mid May. As with WGRY AM 1230, FM 101.1 will broad-

cast Contemporary Country Music.

The new station is licensed to Roscommon, and will cover Houghton Lake, Higgins Lake, Grayling, Gaylord, West Branch, Traverse City,

Kalkaska, and surrounding communities.

Newcomer, J.B. Mack, Operations Manager, will hold down the morning drive slot, 6 a.m.-9 a.m.; and Keith Avery, a long time area favorite, will take the reigns from 4 p.m.-7 p.m.

Special programming includes Detroit Tiger Baseball, True Country Memories on Sundays 11 a.m.-1 p.m., and WGRY also offers news, weather, and sports.

WGRY's new owner is Dewitt Radio Inc., headed by Bill Gannon. Gannon owns several businesses including Wild Bill's Bedding based in Lansing. WGRY is his first radio station. In addition to investing in the FM frequency, he has also invested in new equipment for production and on-air studios, which will improve the sound quality of the station.

Hough Tours South With Kiltie Band

Sophomore Amy Hough of Grayling is among the 67 Alma College Kiltie Band members presenting seven concerts during a swing-to-the-south tour from Feb. 24 to March 2. Taking place during Alma's Winter Term break, the concert tour opens at Walnut Hills High School in Cincinnati, Ohio, and ends at the EPCOT Center IllumiNations Hall in Orlando, Fla.

Also scheduled are concerts at Presbyterian churches in Louisville, Ky., and Naples and Deerfield Beach, Fla., and

two colleges, Stillman in Tuscaloosa, Ala., and Valencia in Orlando, Fla.

The Heritage of Performance concerts, conducted by Douglas Scripps, feature Scottish, religious, and secular music in a fast-moving, energetic format.

Hough, a 1988 graduate of Grayling High School, is the daughter of Dr. James and Mrs. Florence Hough, 4978 Dawn Dr., Grayling. She plays clarinet and piano in the Alma College Kiltie Band concert.

Retired Executives Available Through SCORE

Kirtland Community College in cooperation with Michigan Chapter #18, Detroit, Michigan, is now able to offer the services of the SCORE program and is recruiting volunteers.

SCORE - is Service Corps of Retired Executives - is a volunteer group of retired men and women who provide free management counselling.

Sponsored by the U. S. Small Business Administration, SCORE was developed in 1964 as a means of tapping

the vast experience of top-notch retired business executives and professionals for the benefit of America's small business community.

Service with SCORE is voluntary - you determine the number of hours you want to give. There is no cash compensation, but transportation and other out-of-pocket expenses are reimbursed.

The potential SCORE counselor should possess the kinds of managerial, professional, or technical experience that

could be useful to owners and managers of retail, wholesale, service or manufacturing businesses.

For more information about volunteering for SCORE or if you could use the services of a SCORE counselor for your business call Kirtland Community College at 517-275-5121.

Matmen Wrestle in State Final This Weekend

SPORTS FANS!

I Bet You Didn't Know

Brought To You By Bob White
Sales Representative

Did you know that when Babe Ruth was in his prime, he did NOT lead the league in home runs every year, as is popularly believed... He was beaten out in 2 different years during the 1920's when he was regarded as the home run king... In 1922 Ken Williams hit more homers than Ruth... And in 1925 Bob Meusel out-homered Ruth.

What are the most points ever scored by one player in any high school basketball game in history?... The all-time record was set in a girls basketball game by Marie Boyd of Lonaconing, Md., in 1924 when she scored 156 points in one game... The boys high school record was set by Danny Heater of Burnsville, W. Va., when he scored 135 points in a game in 1960.

Here's an amazing golf record... Byron Nelson finished first in 11 consecutive tournaments on the pro golf tour in 1945... It's unusual today for any pro golfer to win 2 or 3 tournaments in a row on the pro tour, so Nelson's record may stand for a long, long time.

See Bob White for a great buy on your next car or truck.

Senior Terry Sorenson finished fourth in district competition, fourth in the regionals and last weekend he finished fourth in the 119 pound weight division at the State Championships in Battle Creek, to become Grayling High School's 18th medalist.

Coach Don Ferguson said to win fourth place, Sorenson won four of his six matches, defeating athletes who had beaten him in earlier competition.

"Terry was hungrier for victory than his opponents," said Ferguson. "He did a nice job for us."

Other Grayling wrestlers to compete last weekend were Chad Broeker, 112, Andy Moore, 125, and Todd Thorsen, 160.

The Matmen will be returning to the Kellogg Center in Battle Creek this weekend to compete in the State Team Championships.

There are 8 teams left in the Class C division. Grayling has been placed with Shepherd, ranked #1 in the state.

Medals and trophies will be awarded to the top two teams in each class.

GMS Wrestlers Place High at Gladwin

On Saturday the Middle School Wrestling Team traveled to Gladwin to compete with eight other area schools. In the 9 & 10 year old age group: Josh Taylor at 71 lbs., David Sabin at 75 lbs., and Joey Wagner at 90 lbs., all placed third.

In the 11 & 12 year old category David Rattrick was 3rd at 85 lbs., Brock Wilson 2nd at 100 lbs., Greg Mesack 3rd at 100 lbs., Adam Galvani 3rd at 112 lbs., Lowell Bindschattel 2nd at 126 lbs., and Steve Shippy 2nd at heavyweight.

In the 13 & 14 year old group, Kenny Kent placed 1st at 90 lbs., Scott Gizinski 2nd at 170 lbs., Mike Harris 2nd at heavyweight and Brent Kernstock 1st at heavyweight.

On March 3rd the team travels to Tawas for a 10 team tournament.

Grayling Volleyballers Aim for District Title on Saturday

Grayling and Kalkaska met at the Grayling High School Monday night, February 27, and even though Grayling lost, 15-7, 15-12 and 15-13, Coach Becky Brown said it was an excellent "warm-up" match for districts.

She said the matches contained long rallies and aggressive playing.

Tammy Duby and Nikki Trenary led servers with 20 each, and Trenary led setters

with 53. Heather Pelton had 17 serves and 27 sets.

Heather Stephenson led net play with 31 spikes, 14 tips and 23 blocks. She also led passes with 76. Melanie Ojala had 26 spikes and 1 block. Ojala had 60 passes.

Grayling finished in fourth place at the Kalkaska Invitational on Saturday, February 24. Eight teams competed in the tournament.

"We had the opportunity to

beat Gaylord St. Mary's and we felt good about that," said Brown. St. Mary's beat Grayling twice during the regular season.

Besides beating St. Mary's, Grayling also defeated Harbor Springs during morning pool play, but lost to Petoskey.

Grayling faced Gaylord in the afternoon semi-finals and lost 16-14 and 16-14.

"It was an incredible match," said Brown.

Lisa Barber injured her finger during the game and Heather was ill and unable to play, explained Brown. Heidi Craige and Sara Palmer were brought up to fill in for the two starters and both girls played well.

"It was fun to see them play," Brown said. "I'm not sure Heidi breathed until she left the game."

Melanie Ojala led servers with 36, Lisa Barber had 30, Nikki Trenary 27, Heather Stephenson 25, Tammy Duby 10 and Margarita Perez had 17.

Leading setters were Trenary with 66 and Barber with 14.

Leading net play were Ojala with 36 spikes and 8 tips, Stephenson with 23 spikes, 24 blocks and 17 tips, and Perez with 22 spikes, 4 blocks and 11 tips.

Defensively, Stephenson played well all day.

Grayling went on to win the tournament. Kalkaska took second place and Petoskey finished third.

Poor serving by Grayling cost them the victory over St. Mary's on February 19th. Grayling lost 15-8, 15-11, and 15-13.

"As a team we only served for 66 percent," explained Brown, "and it cost us the match."

Tammy Duby led servers with 12 and Trenary led setting with 18.

Heather Stephenson led net play with 10 spikes, 10 blocks and 10 tips.

Ojala and Perez led the defensive play.

District tournaments begin at Roscommon on Saturday, March 3, and Grayling drew Houghton Lake. If they win this first round, Grayling will advance to Whittemore-Prescott, which Brown said appears to be the team to beat.

The winner of the Grayling/Whittemore-Prescott match will go on and play the winner of the Roscommon/Tawas match.

"We have the potential to take the districts if we serve and pass well," said Brown.

Vikings Have One Last Shot at League Title

The Vikings dropped from first to second place in the Michigan Huron Shores Conference Friday night when they travelled to St. Ignace and lost, 85-81, in overtime play. Grayling, 9-4 for the season, is one game out of first place behind Charleviox who is 10-3.

Varsity coach Tom Mills

said Grayling did not play well in the first quarter, but they hung in there during the second quarter to come back and lead St. Ignace, 41-37, at half time.

Grayling played better ball in the second half, at one point taking a nine point lead. With one minute and 45 seconds to go in regulation play, Gray-

ling had a seven point lead.

"We didn't take advantage of the opportunities presented to us," said Mills, "and St. Ignace did."

As the clock ran out, the score was tied, 75-75. Neither team scored during their last possession and the game went into overtime. During overtime St. Ignace opened

up a five point lead. Grayling cut this to three points and with 10 seconds to go had possession of the ball. Grayling took the three point shot, but the ball and basket failed to connect and Grayling was left to take the long trip home.

"We were all disappointed," Mills said. "The kids were disappointed for the fans, but

as a coach, I was disappointed for the team. They played hard."

Shane Fraser turned in an outstanding performance for the Vikings scoring 27 points, 6 assists and 4 steals.

Three other players scored in the double figures. Jim Abney scored 20 points and had 15 rebounds. Scott Nicho-

las had 14 points, 5 assists and 4 steals. Matt Branch finished with 13 points. Kirk Annis scored only 4 points for the game, but grabbed 15 rebounds. Jay Merles and Chad Bonamie scored 2 points each.

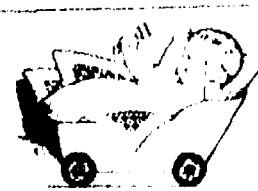

Grayling will host Sault Ste. Marie on Friday, March 2, for their last game of the season.

"We have to beat the Soo," said Mills. "We no longer have control and have to hope someone loses, but either way we have to win Friday night."

Mills expressed his appreciation for team support during the season from both the fans and from the parents of the team.

Charleviox will host Petoskey for their last conference game.

JVs End Season Against Soo Friday

Matt Gingerich scored 17 points Friday night against St. Ignace, but the J.V.'s came up short again, losing 46-38.

The Vikings stayed within striking range during the first half, down by only three points, but a slow third period for Grayling allowed St. Ignace to jump ahead. Grayling was not able to close the gap in the fourth quarter.

Mark Andrus scored 6 points and grabbed 8 re-

bounds. Jason Neeley and Scott Haas had 5 points each. Mike Kirmo and Ken Bind-schatel had 3 points each. Aaron Raymond finished with 1 point and Mark Kraus assisted the team's effort with 4 rebounds.

"The kids played hard," said J.V. coach Butch Hayes.

The J.V.'s play their last game of the season at home this Friday, March 2.

Freshmen End Year at 9-5

The Grayling Freshmen out scored Gaylord three of the four quarters at their game Thursday, February 15, but a poor third quarter was enough to cost Grayling the victory, 66-58.

Grayling was ahead, 14-11, at the end of the first quarter and led 29-28, at half time, but the Blue Devils out defended the Vikings in the third quarter, holding Grayling to only six points. In the fourth quarter Grayling scored 23 points to Gaylord's 19, but it was not enough. The Freshmen finished their season with a 9-5 record.

Jason Neeley led the Viking's scoring effort with 16 points. Steve Branch made 11 points and Mark Kraus was credited with 10 points and 8 rebounds. Andy Lochner scored 7 points, Mike Spencer 5, Jeremy Bowers 4, Sean Mirate and Matt Gingerich scored 2 point each and Matt

Craigg finished with 1 point. According to coach Bill Klinger, highlights of the season included beating Roscommon twice and winning the Good Sportsmanship award at the Indian River tournament.

"This was a good group of freshman boys," said Klinger. "I wish them the best of luck." Klinger said he would like to thank all the players' parents for their support throughout the season.

GHS SADD Officers Elected

The Grayling High School Chapter of Students Against Driving Drunk (SADD) held elections for executive board officers last November.

Mike McMillan (junior) was elected president; Andy Moore (junior), vice-president; Joanna Myers (senior), secretary; Lisa Jo Barber (junior), treasurer; and Erin Bindschattel and Shannon Hinds (juniors), representatives to the Student Council.

Several SADD members attended the 1989 state conference, held at Shanty Creek Resort in Bellaire November 18-20. Mike McMillan went as a representative of the State Student Advisory Board. Joe LaForest (junior), Andy Moore, Michelle Parker (sophomore), and Jenny Smith (junior), attended as representatives of the GHS Chapter. Michelle's mother, Jackie Parker, accompanied the group.

According to Andy, more than 600 students from approximately 100 high schools throughout Michigan were at the three-day conference. They took up an entire motel, with the boys housed on one

SADD CONFERENCE - GHS students (l-r) Michelle Parker, Andy Moore, Mike McMillan and Joe LaForest attended the annual SADD Conference.

side and the girls on the other.

The representatives attended three workshops a day on Friday and Saturday, with most of them led by high school and college students. Workshop topics included ideas for consciousness-raising activities and membership drives. The four GHS students broke up into two-person teams to attend a greater number of workshops.

On Friday morning, all the representatives attended the opening ceremony, which featured the band Ark. The local SADD chapter sponsored an Ark concert in an assembly at Grayling High School last year. The band includes anti-substance abuse messages in its performances.

Friday's after dinner speaker was state patrolman, who shared a story of a drunk

driving accident with the students. They also heard an expert speak on leadership skills at Saturday's dinner.

A lot of fun was mixed in with the work. Dances were held on both Friday and Saturday evenings and Saturday's after-dinner entertainment was a professional comedian. Shanty Creek's swimming pool, jacuzzi and volleyball court were available for student use also.

On Sunday morning the conference ended with a closing ceremony, after which the representatives headed for home. The GHS SADD Chapter now plans to employ some of the ideas they learned at the annual conference to help the student body and the community be more aware of the dangers of drunken driving.

Bits of Talk

By Fay Bovee

Ernestine Palmer and Beverly Lowrie attended a bridal shower for Don Palmer's daughter in Midland on Saturday afternoon.

Don and Elsie Jansen returned from a two-week trip to Gulf Shores, Alabama and Florida. They joined a group of 30 other golfers from Grayling at Punta Gorda for their annual Grayling golf day. There were 36 Graylingites for dinner that evening. The Jansens also visited several other friends while in Florida.

We are still in need of some addresses for the GHS class of 1970 for the August reunion; Barb Spitz, Barbara Elliott and Teresa Trevino Forman. Any clues, anyone? Call me—phone number at the top of the column.

Mike and Lynn Johnson were guests of the Grayling Kiwanis Club on Monday, February 19, where they presented Tom Trudgeon a certificate for serving as representative of the Kiwanis for

Cub Scouts. They presented the group with a certificate for their sponsorship of the Pack.

Paula Buchanan is a new volunteer for the Crawford County Historical Museum. She is helping curator Bob Ruddy framing and matting pictures. Anyone with frames of any kind, let us know and we will pick them up.

Millie Crosby is improving nicely after surgery and is staying with her daughter for a few days. Her address is 816 W. Olson Rd., Rt. 6, Midland, Michigan, 48640.

Lenten Lunch Series Begins

Lent is traditionally a time of self-denial and discipline. Recently, there has been a movement away from "giving up" to the discipline of "adding to". Why don't you choose to make Lent a time for personal study and growth? To help facilitate this, Michelson Methodist Church will be hosting the annual Lenten Brown Bag Lunch Series every Thursday starting March 1, during Lent from noon to 1:00 p.m. They will be using a study book called *Joy After Calvary*, an examination of the last days of Jesus' ministry and the Resurrection in seven sessions.

G.H.S. Prepares for N.C.A.C.S. Visitation

During the 1988-89 school year, Grayling High School applied for and received membership in the North Central Association of Colleges and Schools. The school's membership was formally approved last January. Since that time, steps have been taken to prepare for the visitation team that will come to Grayling High School on March 26, 27 and 28. The

visitation team will consist of teachers and educators from various locations in Michigan. They will be observing classrooms and activities at Grayling High School during their three-day stay.

An extensive self-study has been ongoing since the beginning of the 1989-90 school year. High school faculty, students and some members of the community have been involved in meetings to complete paperwork before the scheduled visitation. The objective of the evaluation process is the continued educational improvement of the Grayling High School students.

Writing Gremlins Target of Workshop

A two-day workshop March 23-24 in Grayling will show teachers how to teach and evaluate student writing.

"Writing Gremlins: Grading, Grammar and Evaluation" will present activities to improve grammar skills and sentence writing. Workshop leader Alan Weber, a member of the teacher education faculty at Central Michigan University, will discuss methods of grading and evaluating writing.

The CMU-sponsored workshop is offered from 5:30 to 8:30 p.m. March 23 and 8:30 a.m. to 3 p.m. March 24 at the Holiday Inn in Grayling.

For more information, call Paula Russell, School of Extended Learning, CMU, (517) 774-7141.

ENGAGEMENT Mr. and Mrs. Thomas Latuszek, of Grayling, are pleased to announce the engagement of their daughter, Lisa, to Mr. Barry Wilson of Grayling. Barry is the son of Mrs. Joyce Golnick and Mr. Lwlyn (Buzz) Wilson, of Grayling. The bride and groom to be are both graduates of Grayling High School.

A September 15, 1990 wedding is being planned.

Lovells News

Correction

Congratulations to the newly weds, Mr. and Mrs. Ronald Ray, nee (Susie Minard), who were married on Saturday, February 17th, at the Lovells Community Chapel, followed by a reception with 114 guests and a live band.

In Lovells News last week the groom's name was mistakenly published as Randy and information on the reception was also listed incorrectly.

Mrs. Carolyn Bunker is a patient at Bell Memorial Hospital in Ishpeming, MI 49849, and would enjoy hearing from her friends. She is wishing a speedy recovery.

Mrs. Michell Apolans spent the weekend with her parents, Mr. and Mrs. Woody Muriel. Paula Harwood, of Mt. Clemens spent the weekend

with her mother, Mrs. Margie Harwood.

Mrs. Vi Richards hosted the card party on Saturday evening. Prizes were won by Pat Miller, Alice Campau, Hazel Koernke, John Campau, Margie Harwood and Bill Koernke. Mrs. Hazel Koernke will have the party on Friday evening at the club room.

Area Boy Scouts Invade Camp Grayling

More than 200 Boy Scouts and Webelos invaded Camp Grayling on February 16, 17, and 18 for their 1990 AuSable District Klondike Derby.

The temperature dipped to

below zero Saturday morning, but the cold did not discourage the 12 Boy Scout patrols, 16 Webelos dens, and 91 of their adult leaders from participating in the derby.

The "Derby" was divided into five stations: Ice Rescue & Fire Building, First Aid Map & Compass, Signaling, and Knots & Lashings. Each station tested the various skills

the boys learn throughout the year as Scouts. The stations for the "Derby" were arranged at intervals around the Camp Grayling parade grounds. Each patrol followed a predetermined track from station to station. Each patrol, consisted of three to twelve boys, and were required to have a sled, many of which were of basic dogsled design.

In addition to the points earned at each station, credit was given for patrol flags, patrol spirit, sled design, and the sled race.

Military Service

Diane L. Jameson, the daughter of Howard L. Jameson of 5868 Rutman Rd., Gladwin, and Pati L. Jameson of 1601 Roberts Rd., Grayling, has entered the United States Air Force's Delayed Enlistment Program (DEP).

According to Staff Sergeant Ruben Temple, the Air Force recruiter in Dearborn, MI, Ms. Jameson's entry into the DEP allows the Air Force to schedule an opening for her to attend basic training and be assigned to a job or skill area.

Ms. Jameson is a 1987 graduate of Wayne Memorial High School and will enter the Regular Air Force on May 8th.

Pvt. Donald A. Bentley has completed training at the U.S. Army Infantry School, Fort Benning, Ga.

During the course, students received training which qualified them as light-weapons infantrymen and as indirect-fire crewmen in a rifle or mortar squad.

He is the son of Carin S. Bentley of Grayling.

His wife, Denise is the daughter of Eric D. Larsen of 1671 E. Summit, Muskegon Heights, Mich.

The private is a 1984 graduate of Grayling High School.

When the competition at the stations was finished, the entire group of the Boy Scout patrols raced their sleds around the track to determine the fastest sled. Then the Webelos repeated the race. The winning patrol of both groups then raced to find the overall fastest sled.

A few of the Scout leaders commented that the boys would probably sleep all the way home.

The Awards ceremony was the final event of the day, held to honor the patrols for their efforts. It was noted that in many of the events, the Webelos did better than their older counterparts. Each unit was awarded a participation ribbon, and 1st, 2nd, and 3rd place ribbons were handed out for each of the events. The top three overall patrol awards were given, and finally, the District Totem, was presented to Boy Scout Troop 990 of Hale, Michigan. The Totem signifies the top troop in skill, participation, and spirit, and is awarded three times a year.

This year's Klondike was

developed and run by Loren Goodale III, Scoutmaster of Grayling's Boy Scout Troop 979.

"The success of something like this depends totally on the volunteers that help out," said Goodale.

At least one adult leader from each of the 28 participating units volunteered as support staff for the Klondike.

Over 200 Scouts and their adult leaders took advantage of Camp Grayling's hospitality and stayed in their barracks Friday and Saturday night. A few units drove to the Klondike Saturday morning. One of the Camp's mess halls was utilized as a warming hut during the competition, and later to serve chili and hot dogs to everyone for lunch on Saturday.

In addition to the area and buildings which were provided by Camp Grayling, coffee and hot chocolate was donated by Hardee's of Grayling, doughnuts by Goodale's Bakery, and McDonald's of Grayling provided its orange drink.

SNOWBALLS AWAY - A snowball fight helped pass the time while waiting for the sled race.

THEY'RE OFF - The first racers hit the sled course.

Bits of Talk

By Fay Bovee

Roger and Phyllis Kessler of Midland hosted a group of former high school friends that get together for an annual weekend of visiting. Rose and Carl Hatfield of Grayling and Jim and Phyllis Bond of Lansing were guests of the Kesslers at their new home in Midland while the others, Rita and George McEvers, Carolyn and Roger Hall, Greta and Ken Chapp, all of Grayling and Tom and Mary Kearney of Lathrop Village stayed at a motel nearby. The group all had Saturday night dinner and Sunday Brunch at Sullivan's in Midland but spent the remainder of the time at the Kesslers reminiscing.

Andy Eriksson, an exchange student living with the

Mike Shearer family, was a speaker in Carl Hatfield's fourth grade class last Tuesday afternoon. He was to return this week on Tuesday to show his slides and answer more questions about his home country of Sweden.

An all-day workshop will be available for genealogy hobbyists on May 2, 1990, in Gaylord, put on by the Everton Publishers of Utah. Watch for more news on this event in coming weeks.

Bev Lowrie and her daughter and family, Gar and Gerry Martin were in the Upper Peninsula last week where they enjoyed the Agawa Snow Train trip. They planned a ski trip to Searchmont but the storm closed the roads and

they were detained in the Soo for an extra night before being able to ski.

FEBRUARY DAY

The bright winter sun is shining
The sky that special shade of blue
That fore tells of warmer spring time days
When the world seems bright and new

Although today the air is cold
The sun feels warm through my window pane
It feels so good to have it's warmth
Warm on my old body again

For there's nothing like the warm sun
To drive out that winter chill
That seems to burrow to the bone
And lie there cold and still

I sit here in my easy chair
As the warm sun comes shining through
Soon it's warmth has my eyes heavy
And I may dream a time or two

I dream of warm days and bright flowers
That the months ahead will bring
To make our hearts feel light and happy
As we welcome those days of spring

Soon that warm sun will melt the snow
And green grass and flowers will appear
A robin will add its happy song
To our favorite time of year

For every heart is lighter
As our days grow bright and warm
We greet each new day with a joyful heart
So glad to be rid of winter's storm

General Telephone Company announced the starting of installation of telephone service in the Lovells and McMasters Bridge Areas this week.

On Tuesday, February 21, Vicki Wells, a senior at Grayling High School, won the American Legion District Oratory Contest held at Midland. Her winning oration was entitled "Give Us Men". She represented the local American Legion Post 106.

Herluf Sorenson, 75, passed away at Mercy Hospital Monday morning, February 27, 1967 after a brief illness. Funeral services will be held at 2 o'clock on Thursday, March 2, at the St. John Lutheran Church with the Reverend Robert Haskel officiating, assisted by Mr. Sorenson's nephew, the Reverend Wesley Samuelson of Grand Rapids. Interment will be in Elmwood Mausoleum.

Class 'C' District Basketball Tournament No. 96 opens Wednesday night of this week with the host team, the Roscommon Bucks, meeting their cross country rivals, the Houghton Lake Bob Cats. On Thursday night, the Grayling Vikings will tangle with the Harrison Hornets with the

winners of these two games pitted against each other on Saturday night for District trophy and the right to move on into Regional play.

The Grayling Regional Chamber of Commerce has announced plans for the first annual Presidents' Day Dinner.

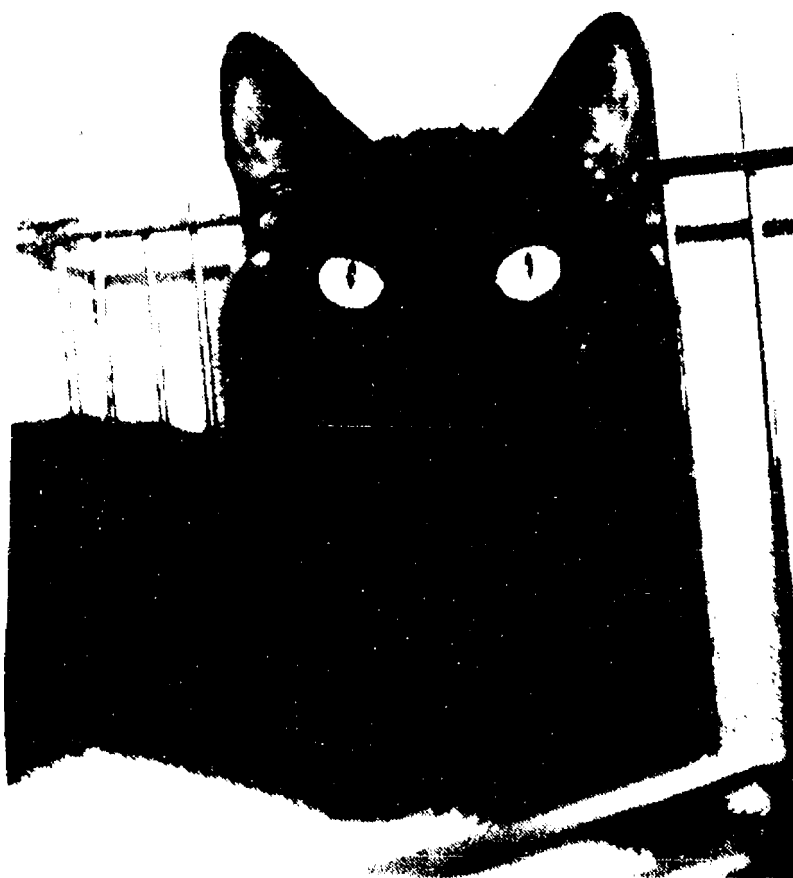

Mrs. James Forbes is the chairman for this dinner and evening program. The date for this first annual affair has been set for Thursday, May 18, and is to be held at the Chief Shoppenagons Motor Hotel. This date will coincide with Michigan Week and will be one of the many activities making Michigan Week a festive occasion in Grayling.

A race for three seats on the Grayling City Council seems assured with five Grayling men now circulating petitions. The election is set for Monday, April 3rd, City Manager Harold S. Cliff stated.

The term of Mayor J.F. Cook, DDS, is expiring along with that of Councilman James Duley and Howard "Whitey" Madsen. Both Duley and Madsen have indicated that they would not seek re-election. Both were originally appointed to the Council to fill vacancies. Both were subsequently re-elected to full four year terms which they

Animal Care Tip

Cats are often attracted to warm car engines. Before starting your car, bang on the hood to scare off cats or other small wild animals that may be sleeping underneath, says the Animal Protection Institute of America. They add that the best winter protection for your cat is simply to keep it inside the house.

The promotion of First Lieutenant John H. Peterson to the grade of Captain was announced lately at the Marietta Army Airfield, Marietta, Ga. Captain Peterson, formerly of Grayling, Michigan, is Sub Depot Supply Officer at the Marietta Army Airfield. Just past his twenty-second birthday, he is among the youngest Captains in Army service today. Captain Peterson graduated from Michigan State College in June of 1942 and was commissioned at that time as a Second Lieutenant in the Officers' Reserve Corps. He entered upon active service only a few days later and was stationed at Brookley Field, Alabama, in the Air Service Command. Later he served at Robbins Field, Georgia, before coming to his present post at Marietta. His promotion became effective as of February 2, 1944.

Last Saturday drawings for the M.H.S.A.A. District Basketball Tournament No. 44 were held at the Grayling High School. Grayling and Johan-

nesburg drew the opening game and will play at 7:30 p.m. Friday. Fans will have their favorite and pre-tourney choice, but officially they will be determined Saturday night, when the winner of the Gaylord-Johnnesburg tilt meets the winner of the Gaylord St. Mary's-Fairview scrap for the Class D crown, and Grayling tangles with Onaway for Class C laurels. The city of Grayling through its high school is pleased to be the host of the District Tournament.

Royale Wright is the champion fisherman here this winter. He closed the season Tuesday by spearing a Great Northern pike that measured 44 inches in length and weighed 22 pounds. He and Glenn Penrod were fishing through the ice on Higgins Lake. They were bait fishing and spearing, and had caught a number of large perch and speared some good-sized lake trout, when they saw this monster pike come sneaking up toward their decoy minnow. Followed some quick and energetic action. The spear struck the pike close to the head, which greatly stunned it, and the whopper was landed with a minimum of fight. Royale brought the fish around for us to take a peek at it and it was a beautiful specimen and catch to be proud of.

Sam Rasmussen left Tuesday to visit his son Verner, who is stationed at Foster Field, Texas.

Serving as a rifle scout with an infantry unit in action on the jungle dense Bougainville Island, 24-year-old Private Shirley M. Corsaut of Frederic got his first Jap in a patrol action in which four of the enemy were wiped out without loss to Americans. The incident occurred when the patrol came upon four Nips grouped around a fire. Of

March 31 is the deadline to enroll for Medicare-Part B. Between now and the end of March, eligible people can sign up for Medicare Medical Insurance (Part B of Medicare). The open enrollment period is set aside each year to allow people to change their minds if they did not previously choose to have the medical insurance portion of Medicare, or once had it and dropped it.

The medical insurance part of Medicare helps pay the costs of physicians' services, outpatient hospital services, durable medical equipment, and certain other medical items and services not covered by Medicare Hospital Insurance.

For people who enroll now, medical insurance protection starts July 1. The basic premium rate this year is \$28.00 a month, and it increases by 10 percent for each year an eligible person chooses not to enroll.

COMMISSION ORDER CFI-101.90

(Under the authority of Act 230 of the Public Acts of 1925, as amended)
SPECIAL TROUT SIZE LIMIT, HIGGINS LAKE, CRAWFORD & ROSCOMMON COUNTIES
Under the authority of section 1 of the Act 230 of the Public Acts of 1925, as amended, being section 300.1 of the Michigan Compiled Laws, the Natural Resources Commission, at its February 14, 1990, meeting ordered that for a period of five years a 16-inch minimum size limit shall be placed on all species of trout and salmon in Higgins Lake (T23N, T24N, and T25N; R3W and R4W), Crawford and Roscommon Counties.
This order supersedes the Commission Order entitled "Special Trout Size Limit, Higgins Lake, Crawford & Roscommon Counties," effective April 1, 1985, and assigned number CFI-101.85.
This Order shall take effect on April 1, 1990, and shall remain effective through March 31, 1995.

Raymond Poupore, Chairman
Natural Resources Commission.
Countersigned: David F. Hales, Director

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about March 15, 1990 the above named Crawford County will request the U.S. Department of Housing and Urban Development to release Federal funds under Sec. 17 (a) (1) (A) of the United States Housing Act of 1937 for the following project:

Rural Rental Rehabilitation Program (RRRP)
Rental Housing Rehabilitation
Crawford County, Michigan
1987 \$10,000.00 funds
1988 \$40,000.00 funds

An Environmental Review Record respecting the within project has been made by the above-named Crawford County which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.

Crawford County will undertake the project described above with the Rental Rehabilitation Program funds from the U.S. Department of Housing and Urban Development (HUD), under Section 17 (a) (1) (A) of the United States Housing Act of 1937. Crawford County is certifying to HUD that Crawford County and Robert McLachlan, in his official capacity as Chairperson, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action; and that these and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval Crawford County may use the Rental Rehabilitation funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an obligation to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) That the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD; or (b) that applicant's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to MSHDA on behalf of HUD at 401 S. Washington Square, P.O. Box 30044, Lansing, Michigan, 48909. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after March 14, 1990 will be considered by HUD.

Robert McLachlan, Chairperson
Crawford County Board of Commissioners
County Building
Grayling, Mi., 49738

Film Looks At Real-Life Miracle

"Love thy neighbor as thyself."

It's the second greatest commandment in the Bible, and one of the hardest to obey. If heeded by mankind, it would effectively make war, poverty, hunger and injustice obsolete. If applied by an individual, it can change a person forever.

Mike Adkins discovered the power of love when he grudgingly obeyed that command

and became a friend to his "unlovable" neighbor, Norman. The humorous and moving story of their unusual relationship is told in the new film presentation "A Man Called Norman", which will be shown Sunday, March 4th, 6 p.m., at the Grayling Assembly of God, located across from the airport.

In this release from Focus

on the Family Films, Adkins describes how he befriended Norman — a misfit who had been rejected by everyone in town. As their relationship grew, Adkins discovered that the road to recovery was a two-way street with very tangible rewards for both men.

Orthodox Services Announced

The Orthodox Church of America sponsors a mission church for the spiritual needs of Orthodox Christians in the northern parts of Michigan. Liturgy services are held the first Sunday of every month at St. Anthony Padua Roman Catholic Church in Mancelona. People of all religious denominations are invited to come worship. For further information call Tom Rybak at 616-546-3934.

World Day of Prayer Set For March 2

United Church Women around the world will observe World Day of Prayer on Friday, March 2. In Grayling, the service will take place at St. John Lutheran Church ELCA, 710 Spruce St., at 1 p.m. A nursery will be available. All christian women are invited.

The Bible Speaks

The Gospel of John Part #115, The Empty Tomb

The first witness of the empty tomb was Mary Magdalene. It was a witness of love but was marked by confusion and uncertainty. "The first day of the week cometh Mary Magdalene early, when it was yet dark, unto the sepulchre, and seeth the stone taken away from the sepulchre. Then she runneth, and cometh to Simon Peter, and to the other disciples, whom Jesus loved, and saith unto them, They have taken away the Lord out of the sepulchre, and we know not where they laid him." (John 20:1,2).

The second witnesses of the empty tomb listed by John were Peter and himself. After racing to the tomb, Peter viewed the grave clothes positioned in an orderly manner

except there was no body. (John 20:3-7). Peter "departed, wondering in himself" according to Luke 24:12. John believed in the resurrection based upon factual evidence. "Then went in also that other disciple, which came first to the sepulchre, and he saw, and believed." (John 20:8).

The third witness listed in this section is that of the Holy Scripture. "For as yet they knew not the scripture, that he must rise again from the dead. Then the disciples went away again unto their own home." (John 20:9,10). The resurrection was prophesied centuries before by David: "For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption." (Psalms 16:10). The apostle Paul leaves us in no doubt to this interpretation. "He seeing this before spake of the resurrection of Christ, that his soul was not left in hell, nei-

From Calvary Baptist Church

ther his flesh did see corruption. This Jesus hath God raised up, where of we all are witnesses." (Acts 2:31,32).

This witness of the scriptures was what the resurrected Christ used to build faith in His disciples. "And he said unto them, These are the words which I spake unto you, while I was yet with you, that all things must be fulfilled, which were written in the law of Moses, and in the Prophets, and in the psalms, concerning me. Then opened he their understanding, that they might understand the scriptures, and said unto them, Thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day." (Luke 24:44-46).

This is the witness preached by the apostle Paul: "For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures;

and that he was buried, and that he rose again the third day according to the scriptures." (1 Corinthians 15:3,4). My friend, there is no greater proof of the resurrection than the Bible. (Hear "The Bible Speaks" Tuesday at 12:15 p.m. on WQON 100 FM).

To many people a lifetime is a number of days, weeks, months and years. It is the time measured from the day of our birth to the day of our death.

Isn't a lifetime more than chronological years? Isn't a lifetime really a succession of meaningful events that occur in the life of each of us?

Regardless of the past, our age, or in whatever state we find ourselves today, in God's house we can find that we still have A LIFETIME TO LIVE.

Department Reports: (written and on file). Supervisor, Building Dept., CC Transportation Authority, Grayling Recreation Authority.

Clerk Ashton reported that local officials and the Avalanche will be working jointly to publicize the 1990 census. Census day is April 1, 1990. The 1980 census is believed to have undercounted by at least 15% and possibly as high as 30% in some areas of the county. One of the problems creating an inaccurate count is that many people who go south for the winter don't realize they can designate Crawford County as their home even though they are filling out the form in another state. The same is true for college students. Revenue Sharing dollars received by local governmental units are based on census figures. Approximately \$24,700 is lost for every 100 people not counted. Census forms should be in the mail the week of March 23rd, 1990. The Township is hoping to have a supply of blank forms on hand as well.

CENSUS '90

Answer the Census. It Counts for More Than You Think.

Motion by McNamara, support by Ashton, to authorize payment of bills on vouchers 11995-11999 and 12011 through 12064 in the amount of \$14,462.80. Ayes; four, nays; none, O'Mara excused. Motion carried.

Motion to adjourn carried. Monica S. Ashton, CMC Grayling Township Clerk

PUBLIC NOTICE

The County of Crawford through the Crawford County Housing Rehabilitation and Community Development office is proposing to make application for a Housing Preservation Grant through the Farmers Home Administration. The grant application will be for \$150,000 to be used for very-low and low-income families, county-wide, single family units, owner-occupied for housing rehabilitation which would contribute to the health, safety and well being of the occupant as well as contribute to the structural integrity or long term preservation of the unit without discrimination because of race, color, religion, sex, national origin, age, marital status, or physical or mental handicap if such person has capacity to contract.

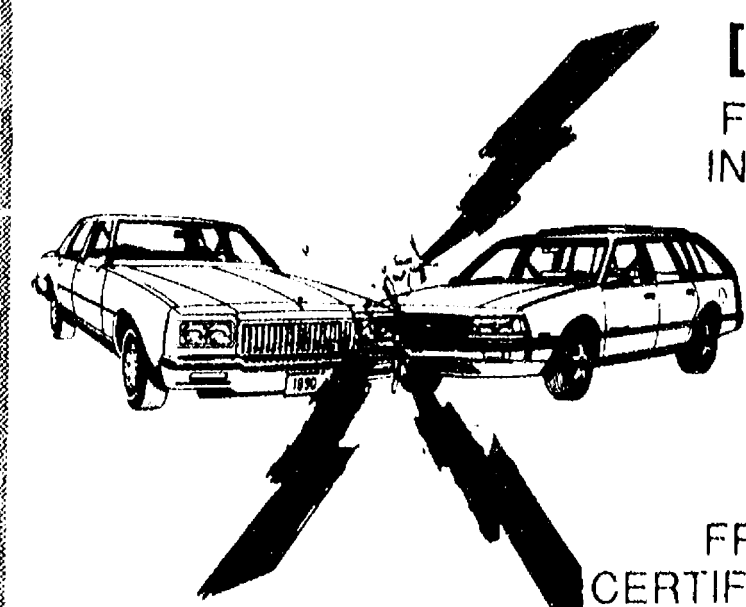

The proposed project will provide loan funds through the Crawford County Housing Rehabilitation and Community Development office to rehabilitate single family owner-occupied housing. Comments will be accepted at the Crawford County Courthouse in the Crawford County Housing Rehabilitation and Community Development office between 8:30 a.m. and noon or between 1:00 p.m. and 4:30 p.m. Monday through Friday. The courthouse is located in downtown Grayling at the south end of Michigan Avenue. Anyone wishing to telephone in comments may do so during the same times at 517/348-2841, ex. 253. Comments will be accepted until April 15, 1990.

GHS Band Advances To State Festival

It's on to the State Band Festival for the Grayling High School Band! The GHS concert band, under the direction of Dennis Ormsbee, scored four straight I (superior) ratings at the Michigan School Band and Orchestra Association (M.S.B.O.A.) District Festival on February 24, thus qualifying for state level competition in the spring.

"The band members rose to the occasion on Saturday," said Director Ormsbee. "The pieces of music we performed this year were not easy. It was a challenge for the group and they performed very well."

For the 1990 District Band Festival, Mr. Ormsbee chose the following selections for his GHS Band to perform: "The Golden Eagle," a march by John Bullock; "Lion of Lucerne" by Jim Curnow; and "Affirmation," a contemporary piece by Jared Spears.

He and the band performed the selection for the community last Thursday evening in a concert at Joseph Stripe Auditorium

that featured both the Grayling and Elk Rapids High School bands.

The concert functioned as a sort of official dress rehearsal for the group. The real test came on Saturday at 11:05 a.m. when the 52-member band performed for four adjudicators at the festival in Traverse City. Many community members attended the festival to show their interest and support.

"It was great to see the parents and administrators at the festival cheering on the band," said Mr. Ormsbee. "The sight-reading adjudicator mentioned the fact of such great community support as he talked to the crowd that followed the band."

The judges appeared impressed by the band's efforts. One adjudicator wrote in his comments: "A very musical and effective performance. Obviously a hard working and well taught band. The best performance of the day so far. Congratulations."

A second judge wrote: "Good solid band...I enjoyed hearing this group this morning. Lots of musical potential."

The sight-reading judge concluded: "Overall, a good sight-reading effort. Nice to see the size and instrumentation for your classification" (school size). Under the section entitled Suggestions for Improvement, he wrote: "Do as your director says."

That's good advice for the band members. For you can bet that Mr. Ormsbee will have plenty to say as he prepares his senior high band students throughout the coming weeks for their tougher challenge of state level competition.

For a moment, though, the GHS band members and their director should pause to bask in the glow of the best rating they have ever received at a district band festival. Then they all know it's back to practice and on to State.

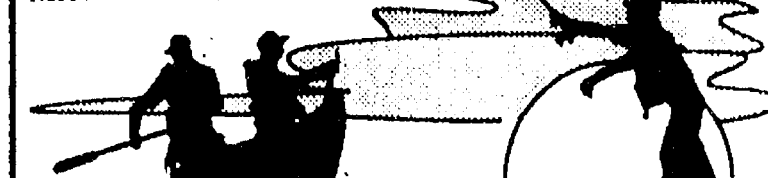

ON TO STATE - The GHS Band heads to state competition after scoring all top marks at the district level.

Waves Seek New Unit

There will be an organizational meeting to form a new unit of WAVES NATIONAL to accommodate present and potential members living in the northern portion of the Lower Peninsula and those from the Upper Peninsula. The meeting will be Sunday, March 11, 1:00 p.m. at the Grayling Holiday Inn.

The cost of the luncheon will be \$10 a person, including tax and gratuity. Send check (payable to WAVES NATIONAL) to Yette J. Szkotnicki, RR 2, Box 2362, Grayling, Michigan 49738.

If you are currently a member of Unit 32, your membership and dues can be transferred. The minimum number of people needed to form a new unit is only ten; thirty-two of these notices are being mailed out along with press releases to attract those whose addresses are not in WAVES files. It's possible to create two units - one in the northern part of the lower and a separate one for the upper peninsula.
